TOWN WARRANT
THE TOWN OF LITCHFIELD
THE STATE OF NEW HAMPSHIRE
THE POLLS WILL BE OPEN FROM
7:00 A.M. TO 7:00 P.M.

To the inhabitants of the Town of Litchfield in the County of Hillsborough in said State, qualified to vote in Town Affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE GRIFFIN MEMORIAL SCHOOL IN SAID LITCHFIELD ON TUESDAY, MARCH 8, 1983, AT 7:00 A.M. TO ACT UPON THE FOLLOWING SUBJECTS:

1. To elect by ballot the following Town Officers:

One Selectman - three year term, one Road Agent - one year term, three Auditors - one for three year term, one for two year term, and one for one year term, one Chief of Fire Department - one year term, two Library Trustees - three year term, one Trustee Town Trust Funds - three year term, two Budget Committee members - three year term.

2. To vote by ballot on the following amendments to the Town Zoning Ordinances:

1. Are you in favor of the adoption of amendment #1 to the existing town zoning ordinance as proposed by the planning board?

Amend the ordinance by deleting Article 2 on Residential Zoning and replacing it with a new Article 2. The new article will create a residential zone in all areas of the town not zoned otherwise. The uses permitted in the district are residential and agricultural only except as permitted by special exception for home occupations and sand and gravel operations.

YES ☐ NO ☐

2. Are you in favor of the adoption of amendment #2 to the existing town zoning ordinance as proposed by the planning board?

Amend the ordinance by deleting Article 3 and the ordinance entitled "Industrial Zone" and insert a new Article 3. The new article will reduce the size of the current industrial district and will create a new district with direct access to Route 102. Both districts will have residential buffer zones surrounding them. The uses permitted in the industrial districts will be assembly, warehousing, offices, public utilities (excluding generating plants), printing, research and testing laboratories, brewing and bottling, contractor's yards and support services so long as they do not dispose of non-human waste on site or create objectionable noise, odors, smoke, glare, dust, vibration or other threats due to potential fire or explosion.

YES ☐ NO ☐

3. Are you in favor of the adoption of amendment #3 to the existing town zoning ordinance as proposed by the planning board?

Amend the ordinance by adding a new paragraph to the existing sign ordinance permitting agricultural uses to erect a "You-Pick" advertising sign on a seasonal basis without a permit from the planning board.

YES ☐ NO ☐

4. Are you in favor of the adoption of amendment #4 to the existing town zoning ordinance as proposed by the planning board?

Amend the ordinance relating to Removal of Sand, Gravel or Other Raw Materials by deleting the existing Articles 8 and 9 and substituting instead a new Article 8 which will generally provide for the administration and enforcement of earth moving activities within the Town including excavation, grading, clearing and removal; and further to authorize the Planning Board, as Regulator, to adopt regulations pursuant to this ordinance as well as R.S.A. 155-E.

YES ☐ NO ☐

**YOU ARE HEREBY NOTIFIED TO MEET AT THE
GRIFFIN MEMORIAL SCHOOL IN SAID LITCHFIELD ON**

FRIDAY, MARCH 11, 1983 AT 7:00 P.M. TO ACT UPON THE FOLLOWING ARTICLES:

1. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

2. To see if the Town will authorize the Selectmen to apply for, receive and expend federal or state grants, which may become available during the course of the year, and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the town may legally appropriate money; provided: (1) that such grants and other monies do not require the expenditure of other than town funds, (2) that a public hearing shall be held by the Selectmen prior to the receipt and expenditure of such grants and monies; and (3) that such items shall be exempt from all provisions of RSA 32 relative to limitation and expenditure of town monies, all as provided by RSA 31:95-b.

3. To see if the Town will vote to raise and appropriate the sum of \$24,000.00 to purchase lot 92 Grouse Lane consisting of approximately 1.57 acres and lot 93 Grouse Lane consisting of approximately 1.78 acres located at Darrah Village adjacent to the town park from Lois G. Dickerman under such terms and conditions as may be acceptable by the Board of Selectmen, and authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund. (Recommended by Budget Committee.)

4. To see if the Town will vote to raise and appropriate the sum of \$2,400.00 for a contingency fund. (Recommended by Budget Committee.)

5. To see if the Town will vote to create the position of secretary/clerk effective April 1, 1983 at an annual salary of \$10,000.00 and to raise and appropriate the sum of \$9,687.00 for wages and related costs for the period of April 1, 1983 to December 31, 1983. (Not recommended by Budget Committee.)

6. To see if the Town will vote to adopt an ordinance pertaining to the regulation of building numbers, as follows:

ORDINANCE

BUILDING NUMBERS

For the purpose of promoting the health, safety and general welfare of the Town of Litchfield and pursuant to the authority of RSA 31:39, the Town of Litchfield adopts the following ordinance regulating building numbers:

1. Building Numbers to be designated by Fire Department.

The Fire Department shall, as the convenience of the public may require, designate the numbers to be affixed to the buildings on streets and ways in the Town of Litchfield.

2. Numbers to be affixed.

Any building or structure for which a number shall be designated shall have such number affixed thereto in such manner so as to be plainly visible from the street which abuts the main entrance to the property.

3. New buildings.

The owner of any property seeking a building permit for a new building or structure shall apply for and receive a building number designation from the Fire Department prior to application to the Building Official for a permit, and no building permit shall be issued without designation of such building number.

4. Unauthorized building numbers prohibited.

No person shall affix, or permit to be affixed to, or shall allow to remain upon any building in the Town, any different number from the one designated by the Fire Department with the exception of dates affixed for historical purposes.

5. Penalty for failure to affix street numbers.

The owner of any building or structure who shall fail to affix such number within thirty (30) days after written notice from the Fire Department shall be fined not more than twenty-five (\$25.00) dollars for each day that such number is not affixed.

6. Effective date.

This ordinance shall become effective on January 1, 1984.

7. To see if the Town will vote to rescind Article 11 of the Annual Town Meeting, March 12, 1982, whereby it was resolved to pay the following hourly pay scale for part-time employees effective April 1, 1982; \$3.60 - unskilled labor, \$3.75 - skilled and clerical labor, and \$4.00 - administrative and high risk labor, and to adopt in lieu thereof the following hourly pay scale for part-time employees effective April 1, 1983; \$4.00 - unskilled labor, \$4.25 - skilled and clerical labor, and \$4.50 - administrative and high risk labor. (Recommended by Budget Committee.)

8. To see if the town will vote to go on record in support of a returnable container system for the State of New Hampshire. The record of the vote on this article shall be transmitted to the New Hampshire General Court. (By petition.)

9. To see if the Town will vote to create the position of an additional full-time patrolman for the Police Department effective July 1, 1983 at an annual salary of \$12,584.00 and to raise and appropriate the sum of \$8,699.00 for wages and related costs for the period of July 1, 1983 to December 31, 1983. (Recommended by Budget Committee.)

10. To see if the Town will vote to authorize the withdrawal from the special highway subsidy fund the sum of \$10,000.00 for use as a set-off against the appropriations for road construction. (Recommended by Budget Committee.)

11. To see if the Town will vote to adopt an Ordinance pursuant to RSA 31:39 pertaining to the burial of deceased persons within the Town of Litchfield.

ORDINANCE

For the purpose of promoting the health, safety and general welfare of the Town of Litchfield, and pursuant to the authority of RSA 31:39, the Town of Litchfield hereby adopts the following Ordinance regulating the burial of deceased persons except to cemeteries laid out by the Board of Selectmen.

Purpose:

The interment of deceased persons on private property causes a nuisance by impairing or endangering the public health. Furthermore, such burials may effect the water supply and surrounding atmosphere and tend to interfere with the use of land by adjacent property owners. The burial of deceased persons on private property within the Town of Litchfield is contrary to the health, safety and general welfare of the Town of Litchfield and the purpose of this Ordinance is to limit the burial of deceased persons to Hillcrest Cemetery, Pinecrest Cemetery, the cemetery situated to the rear of the Litchfield Community Church or to any other cemetery hereafter laid out by the Board of Selectmen.

Section I. No person shall bury, or cause to be buried, a deceased human body, or in any manner aid or assist in the burial of the deceased body of any human being, within the Town of Litchfield except in Hillcrest Cemetery, Pinecrest Cemetery, the cemetery situated to the rear of the Litchfield Community Church or to any other cemetery hereafter laid out by the Board of Selectmen. The burial of deceased persons in other than such cemeteries is hereby declared to be a nuisance and dangerous to public health.

Section II. Any person violating the provisions of this Ordinance shall be fined not more than One Hundred Dollars (\$100.00) for each offense, and a separate offense shall be deemed committed upon each day or on which a violation occurs or continues.

Section III. This Ordinance shall be in force and take effect immediately upon adoption.

12. To see if the Town will vote to raise and appropriate the sum of \$15,000.00 for a new water tank and renovations such as re-piping, pump overhaul, transmission work, painting, etc., to the 1967 International Fire Tanker truck. (Recommended by Budget Committee.)

13. To see if the town will vote to authorize the Conservation Commission to retain the unexpended portion of its 1983 appropriation, said funds to be placed in the special Conservation Fund in accordance with RSA 36-A:5. (By petition.)

14. To see if the town will vote to go on record in support of immediate actions by the Federal Government to control and reduce acid rain which is harmful to the environment and economy of Litchfield and to the health and welfare of the people of Litchfield. These actions shall include:

1. Reduce by at least half the major cause of acid rain, sulfur dioxide emissions, by the year 1990.

2. Conclude negotiations and adopt a treaty with the government of Canada that will commit both nations to this same goal.

The record of the vote on this article shall be transmitted to the New Hampshire Congressional Delegation and to the President of the United States. (By petition.)

15. To see if the Town will vote to authorize the withdrawal from the Master Zoning Fund the sum of \$2,235.22 together with the interest accumulated thereon for use as a set-off against master zoning plan expenses from appropriations for Planning. (Recommended by Budget Committee.)

16. To see if the Town will vote to rescind Article 19 of the Annual Town Meeting, March 18, 1978, pertaining to the establishment of a Parks and Recreation Commission pursuant to RSA 31:47 and further, to authorize the Board of Selectmen to establish a Parks and Recreation Committee with such powers and duties as may be granted to it by the Board of Selectmen pursuant to RSA 35-B.

17. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same, as set forth, posted herewith and to consider each item in whole or in part.

18. To transact any other business that may legally come before said meeting and to read the minutes of said meeting.

Given under our hands and seal, this 14th day of February, in the year of our Lord nineteen hundred and eighty-three.

James E. O'Brien
Stephen N. Robinson

TOWN AUDITOR'S REPORT

The Town Auditors make the following recommendations in order to strengthen and improve the Town accounts:

1) The Town Auditors should conduct quarterly audits, in particular before and after the annual Town tax sale.

2) The Town Tax Collector shall establish and maintain a horizontal ledger by month indicating by tax year the individual property tax redemptions, interests and costs. Such a system has been established for 1983.

3) The Selectmens Office shall establish a daily cash journal and maintain an appropriate ledger indicating the allocation of these funds to their proper accounts.

4) The Town Conservation Fund, which was duly established by the Town under the provisions of RSA 36-A at Town Meeting in 1971. The Selectmen in December 1971 improperly transferred these funds to the custody of the Town Trustees. The Town Trustees in turn arbitrarily classified the Town Conservation Fund as a part of the Capital Reserve Fund. Town Trustees are not authorized by law or bonded to handle these funds. Said funds must be transferred by the Town Trustees to the Town Treasurer, who is properly bonded for such custody. The Town Auditors wish at this time to compliment the Town Trustees for the careful nurturing of the Town Conservation Fund which now has \$9,500.00 of principal \$3,571.44 of interest and totals \$13,071.44, as of December 31, 1982.

5) Although the Town Trustees incorrectly classified the Town Conservation Fund, they have not comingled these funds with other monies and has duly maintained the account as the Town Conservation Fund. When the Town Trustees have transferred these funds to the Town Treasurer, the Treasurer should maintain the Town Conservation Fund as authorized by the provisions of RSA 36A.

The Town Auditors have examined the vouchers, bank statements, cash books and other ledgers of the Town of Litchfield, and find them to be in order, to the best of our knowledge.

All revenues have been accounted for and all authorized expenditures with necessary signatures were supported by invoices, payrolls or appropriate documentation. We have examined the status of the Town Officers Bond and the Revenue Sharing Fund and find the same to be in order.

Details of the audit are filed with the Selectmens Office and Municipal Services Division, Department of Revenue Administration, State of New Hampshire.

Finally, the Auditors recommend that the Selectmen and the Budget Comittee consider the engagement of a professional auditing firm to audit the Town records as is being done for the Litchfield School System. Litchfield has become a \$3,600,000 business and for the protection of our taxpayers we believe this recommendation is sound. The engagement of an auditing firm should be considered at the next Town Meeting.

ANNUAL REPORT

BOARD OF SELECTMEN

The past year has been a very busy year for the Selectmen. Many projects were undertaken during the year. We have been fortunate with all the cooperation we have received from many people during the year, and we would like those special folks to know that all their help was greatly appreciated.

One main project this year was the awarding of our insurance needs for the town to The Insurance Exchange of Derry. The new policies upgrade our coverage, and saves the town substantially overall.

The selectmen and several concerned citizens worked hard on the House Reapportionment, and now that the final outcome is known, we came out of it pretty well; maybe not as well as we wanted, but after the elections we have accomplished our main objective of having two Litchfield citizens in the House of Representatives. We, as Selectmen, want to congratulate both Mrs. Nancy Hendrick and Mrs. Ellen-Ann Robinson on their election to the House of Representatives, and possibly we will be looking to them for some legislative help in the coming term.

The town has been in litigation for several years with the Roy Estate concerning the Darrah Pond area, and this year we were able to reach an out-of-court settlement. We feel we came out of this litigation in a very good position in that our costs were minimized. The final agreement has not been approved by the court as yet, but we anticipate this approval shortly. Details of the settlement will be made known to the public upon notification of court approval.

The Board thanks all the Town Officers, Department Heads, and members of the various boards and committees who helped us in making this a productive year. The Board also thanks the many townspeople who donated many hours to help Litchfield become the town that it is, and we look forward to their continued support.

James E. O'Brien, Chairman
Stephen N. Robinson

LITCHFIELD POLICE DEPARTMENT

1982 REPORT

To the Honorable Board of Selectmen and the citizens of the Town of Litchfield:

For the year 1982 I am pleased to be able to report a reduction of criminal activity in two important categories. Residential and business burglaries have decreased by 60 percent and criminal mischief (vandalism) has decreased by 12 percent. This is a significant accomplishment, on the part of your police department and the citizens of our community, in combating against these crimes. Burglaries and criminal mischiefs are of deep concern, as each crime can result in high monetary losses and/or other serious consequences. On the other hand, we have experienced a 12 percent increase in reported thefts, with the largest percentage of this category involving the issuance of bad checks. We continue to do our utmost to prevent and control criminal activity, however, we need your help. I cannot stress enough, the importance of community involvement. See! Hear! and most essential Report! the unusual occurrence. Reports of suspicious or criminal activity provides us with the necessary information for investigation follow up and also where to concentrate aggressive patrols.

During the spring of 1982 members of the Litchfield Police Department completed the organizing of a Police Explorer Post (Post 11), presently comprising 11 explorers. During 1982 and again for 1983, I have been appointed to represent the N.H. Chiefs of Police on the advisory board for the N.H. Chiefs of Police Association and the N.H. Police Association. In June of 1982 three of our new explorers were accepted and completed the Ninth Basic Session of the N.H. Police Cadet Academy. This year our explorers carried out several community projects to include painting the flag pole at the Town Hall just prior to Memorial Day and picking up litter along our town roadsides. The Litchfield Police Department will continue to sponsor this worthwhile organization and I urge interested youths between the age of 14½ and 20 to consider membership and contact me for further information.

In a continuing effort to promote public awareness and develop lines of communication, members of the police department have conducted numerous lectures and programs for school and civic organizations. Topics have included: bicycle safety, drug/alcohol abuse, babysitting course, crime prevention and law enforcement duties and responsibilities. I urge those parents who do not have a copy of our drug awareness booklet entitled. "A reason For Tears", to obtain a copy. The booklet is most informative, containing up to date drug information. **PARENT AND YOUTH AWARENESS** is one of our most important assets in the fight against drug abuse.

Training efforts this year have revolved around completing the certification process for part time officers. Additional training programs have centered on officer survival techniques, firearms instruction and new legislation affecting law enforcement.

I am pleased to report that fleet management and a rigid maintenance program has resulted in a positive economical impact on our budget. I will continue to monitor this area and address the issues of economy and safety.

I would like to take this opportunity to express my sincere thanks to the members of the Litchfield Police Department and other Town Department heads and their personnel, and the citizens of Litchfield for the assistance and cooperation rendered. I offer my special thanks to those who have worked with us on our various programs throughout the year.

On behalf of the members of the Litchfield Police I wish all the citizens of our community a happy and safe 1983.

Respectfully Submitted,

John D. Simmons
Chief of Police

LITCHFIELD FIRE DEPARTMENT

1982 Annual Report

It is with great pride and appreciation that I submit to the Board of Selectmen and the citizens of Litchfield the Annual Report for 1982. For the second year in a row, our fire incident rate has dropped from the previous year. The appreciation is expressed to all of you for demonstrating a sense of fire safety, and helping us spread this message. At no time in recent memory have we had to be more conscious of this due to the burning of wood, coal, and other types of materials in lieu of the conventional heating fuels. We will continue to provide safety information to the residents throughout the year via pamphlets, inspections, and open house activities at the Fire Station.

As we present the statistics to you, we once again thank you all for your fine spirit of cooperation and your support throughout the year 1982, and again wish each and everyone a happy and fire-safe 1983.

REPORT OF TOWN FOREST FIRE WARDENS AND STATE FOREST RANGER

Forest fire prevention, our business, your business, good business! This slogan has been the motto of the N.H. Division of Forests and Lands, Forest Fire Service since 1909 when the first forest fire laws were passed by the Legislature.

These laws set in place a cooperative forest fire protection program of State and local forest fire personnel that has, in the past 75 years, established New Hampshire as a leader in forest fire prevention and control. Our annual acreage loss to forest fires of one-half acre per fire is the best in the nation. This fire record has come about through the cooperative efforts of our state/town forest fire protection program. The state provides detection of fires, training for local forest fire wardens, low cost forest fire suppression equipment to local fire departments, and technical advice at the fire ground. Local governments provide the volunteer fire fighters who are appointed as wardens and deputy wardens and who respond quickly to suppress reported forest fires.

This program has resulted in a steady decline in annual acres lost to forest fires since 1910 when the average fire burned 33 acres compared to the modern day loss of one-half acre per fire.

Only by the continued cooperation of the State/Towns and our entire citizenry can this record be maintained.

No. of Acres	161 $\frac{3}{4}$	30 $\frac{1}{3}$	

LIBRARY TRUSTEES' ANNUAL REPORT

Library trustees and Librarian Janet Kelsey this year continued their renovation work in the Cutler Memorial Library.

Most of the year was devoted to planning improvements for the upper level, with Trustee Pat Sutin in charge of this project. The trustees have decided to apply wall covering to part of the library walls of the upper level in order to soften the stark effect of large expanses of painted plaster. Victorian designs will be stenciled to some sections of the walls that will remain unpapered to further enhance the building's attractive Gothic lines.

After unsuccessful attempts to find a solution to the periodic flooding problem in the basement, the trustees decided to reverse their carpeting priority and will proceed to install carpeting on the upper level first. They hope to carpet the lower level later this year, pending a solution to the drainage problem and approval of appropriate funding.

Also in the works for this year is the construction of an emergency exit for the basement conference/children's room and removal of the children's section from the upper to the lower floor.

A donation by the Litchfield Lions Club in 1981 permitted the trustees this year to buy two adjustable tables for use in the basement room, making the room more usable by all types of groups.

New bookshelves, for which funding was approved in the 1982 budget, will be installed in the upper level's north section as soon as the carpeting and wallpapering are done. More of these bookshelves will be added as funds become available.

The new shelving will relieve a crowding problem and allow the library to better display its collections so readers can more easily find the works they are interested in.

Hopefully, this will mark the final year when the major thrust of the trustees is attention to building renovations. Thus far, sections of the building's exterior have been repointed, a troublesome roof leaking problem was permanently solved; the library's lower level, as well as parts of the upper level, were repainted; the lighting in the lower level was

improved; a new electrical panel was installed; the attic was insulated; and storm windows were added.

As part of a town program, the library this year was wired for a fire detection system. This provides needed protection for the library and the trustees are thankful to the selectmen for including the library building in the appropriation approved for this work.

The modest increases in the book-buying account generously approved by the voters over the past several years has greatly aided the library in becoming a better source of information for the community. We hope this budget item will continue to grow to keep pace with inflation and to allow the library to become an ever better resource.

The trustees have found that increasing the number and diversity of printed matter has been welcomed by townspeople who, in turn, are increasing their patronage of library services.

Also detected is a greater willingness among townspeople to volunteer their services. The trustees welcome this trend and encourages persons with a few or many hours to donate in the library's service to so advise the librarian or any trustee. Their contribution will be valued.

LIBRARIAN'S REPORT 1982

Many Litchfield residents have kindly donated books to the library this year. Donors include: R. Petit, Webbers, Sutins, Claudette Durocher, Boettes, Parkers, McCarthys, Talbots, Frasers, Hamiltons, McKibbens, M. McNaught, Litchfield League of Women Voters, H. Mavrogeorge, Hopkins, Grattons, Hendricks, Palmers, Oliviers, and Grochmals, Thank you all for your generosity.

There has been a considerable increase in the use of the library in 1982 with over 10,000 books circulated. We have added 725 new titles by purchase or donation which brings the total number of volumes to approximately 11,000.

The Monday morning Library Hours for preschoolers aged 3½ to 5 continues to be a huge success thanks to the time and efforts of volunteers. Sandy Bicknell, Laurie Goldberg, Terry Jefferson and Kathy Mygan. A special thanks to Debbie Fraser for organizing the volunteers and planning the programs.

Work on the children's room is continuing with the help of donations from The Litchfield League of Women Voters, Litchfield Jaycee Women and a group of Litchfield citizens. With their help we have purchased some pollywog seats, bookcases and a book truck.

I would like to take this opportunity to thank all the Litchfield citizens who have taken an interest in the library and want to help it grow as an important community resource.

- 1982-13: Maurice Thiboutot, Rt. 3A sign variance denied.

The Board and I wish to thank Virginia Hokenstrom for all her time and effort over the past ten years.

Ellen-Ann Robinson, Chairman

LITCHFIELD PARKS & RECREATION COMMISSION

ANNUAL REPORT

Recreation Report:

We had a very successful year with our town-sponsored recreation programs as well as closer cooperation with the private recreation leagues.

The Babe Ruth entries (Tigers and Cubs) in the Merrimack Valley League had a successful season. We thank all the boys who played and the people who helped with this program.

The Litchfield Little League officers and our commission worked very well together to make their program a success. In the future, we hope to work even closer.

The Girls Softball programs (Junior and Senior Divisions and the new team made up of girls 18 years old and under who played other town teams) had a very good year with more than 100 girls participating. This activity would not have been a success without the leadership of Yvette Simard and the many volunteers who helped her.

We also sponsored two entries in the State Girls Softball Tournaments, one in the Juniors and the other in the Seniors.

We worked with two other programs in the town: the Litchfield Youth Soccer League which has spring and fall programs from grade 1 through 8, and also the Litchfield Youth Basketball League which has 6 teams. We want to thank all the sponsors and volunteers who helped to make these programs successful.

We had a "Summer Program" for two weeks which benefited approximately 200 youths from Litchfield. Many activities were offered, and we thank the directors and helpers for making this the best summer yet.

Also, the commission worked with the Jaycees to sponsor a road race in the summer.

Parks Report

We have three fields which the commission maintains for use by the youth and adults of Litchfield. They are Jeff Lane (ballfield and playground); Corning Road (ballfield and playground) and Brickyard Drive (soccer and ballfield).

Summation

The commission this coming year will be working with the Adult Softball League, Girls 18 years old and under to play in the Junior Deb League, and the new adult volleyball program.

We are also planning to upgrade the Brickyard Ballfield so it can be used by various leagues.

I want to invite anyone who would be interested in helping in any way with our programs or to give any input regarding recreation to contact the commission.

I would like to thank Yvette Simard and Bill Morris, who worked with us a part of the year, and to the new members: Jack Scheiner, Paul Moniz, Dana Manchester, and Rick Lascelles for their help on the commission.

Many thanks to all.

Respectfully submitted,

Bob Weild, Chairman
Litchfield Parks
& Recreation Commission

CONSERVATION COMMISSION

ANNUAL REPORT

The Conservation Commission in 1982 held the first of what we hope will become an annual fishing derby on May 1 at the park on Brickyard Brook. All of the kids (12 and under) and their parents had a very enjoyable time and were rewarded with catches of up to 17½ inch brook trout.

Other activities included work with the Planning Board, Zoning Board of Adjustment, involvement in the Hudson landfill problem, dealing with the local conservation officer, and State Fish and Game on town concerns, and attending the annual meeting of the N.H.A.C.C. in New London, N.H.

The commission sent Veronica Makowiec and Edward Schultz to the Society for the Protection of N.H. Forest conservation camp. Both students found the camp educational, rewarding, fun, and interesting. We plan to send two students to camp in 1983. Anyone in ninth, tenth, or eleventh grade interested in attending should make their interest known to the conservation commission.

It is the hope of the conservation commission that in 1983 they will be able to begin a program of informational meetings focusing on subjects such as, our river, wetlands (their value and importance), our aquifers, and other town concerns with environment, wildlife, and water.

Respectfully,

John C. Curtis, Chairman

John Breen

Anthony DiDio

Nancy Hendrick

Florence Leary

Erdine MacDougall

Glenn McKibben

CONSERVATION CAMP

My week at conservation camp was a very educational experience I'll always remember.

During the week, we studied four subjects: water, wildlife, forestry, and soil. We also had three very interesting evening programs.

On our field trip on water, we learned about little animals that live in the water and animals that live near the shore. Some animals we learned about were the beaver, great blue heron, and frogs. We also tested the water's pH, depth, and temperature.

We learned on our field trip on soil about the different layers, how to test the pH, how to tell the history of a place, and how to tell if an area had good drainage.

On our wildlife field trip, we went to some porcupine caves. We were told about what they eat, and their way of life. Then we climbed to the top of a hill and drew a picture of an animal we thought could survive anywhere.

We were taught on our field trip on forestry how to find the board feet of a tree, the height, and how to thin out the forest. We also walked out to a lumber project and were told how it was operated.

The evening programs were very interesting, but the program I was most impressed with was the one on the everglades at which a person showed us beautiful slides.

All together, my week at conservation camp has given me a better attitude on wildlife and their habitat. I think the town of Litchfield should continue to send youngsters to camp.

Thank you very much for sending me to camp. I enjoyed it very much, and will always remember it.

Respectfully,
Veronica Makowiec

Roland E. Bergeron
Health Officer

MERRIMACK VALLEY HOME HEALTH CARE ASSN., INC. 1982 ANNUAL REPORT

This past year was a challenging one for our association as federal and state cutbacks in funding became a reality. Our programs all took their share in decreased revenues.

Home Health care to the sick was hurt by the State Division of Welfare's decision to impose caps on the number of visits any individual could have. Medicare became increasingly restrictive in their interpretations of the guidelines for eligible coverage. The State Division of Public Health guidelines for eligibility changed so that our funding for the Well Child program decreased by 75%. Our Homemaker program funding decreased slightly but also had a cap imposed for each unit of service regardless of what our costs are. Our chronic maintenance care program received less dollars from the State Council on Aging as they changed their allocation formula, resulting in Hillsborough County's share of the funds being decreased.

We continue our commitment to the citizens we serve because we know that HOME is where most people prefer to be. We welcome your inquiries and will continue to respond to your needs as best we can. Our staff currently consists of six registered nurses, three therapists, one social worker, seven homemaker/home health aides, two homemakers, three officer personnel and one administrator/supervisor. (Some are not full-time positions.)

In 1982-83 the following members of your town served on our Board of Directors: Claudette Durocher, Gary Keegan and Margaret Parent.

SERVICES PROVIDED IN 1982 TO LITCHFIELD

Nursing visits	386
Therapy visits	151
Home Health Aide visits	89
Homemaker visits	126
Social Service visits	15
Telephone consultations	70
Supervisory visits (by R.N.'s)	19
Children enrolled in Well Child Clinics	95
Office Foot Care Clinics — monthly	
Office Walk-in Blood Pressure Clinics — weekly	
Industrial screenings — as requested	

(Mrs.) Dorothy Marcek

**NASHUA REGIONAL PLANNING COMMISSION
1982 ANNUAL REPORT
TOWN OF LITCHFIELD, NH**

This year has been a busy and productive year for the NRPC and the Commission has made great progress in serving the needs of its member municipalities. Litchfield's continued support and participation in the Commission, through Commissioners Virginia Hokenstrom and Timothy Phelps, and Alternate Yvette Lessard, has enabled us to achieve new levels of regional cooperation to address common needs and problems.

The Commission has been actively involved in Litchfield's planning activities this year, most notably in the final adoption by the Planning Board of the Master Plan, prepared under contract by the NRPC with local input from a Sounding Board composed of Town residents. The Master Plan's recommendations are now being implemented with NRPC assistance in developing new zoning articles and the creation of a Capital Improvements Plan.

Litchfield's participation in the Commission's activities over the past year has also contributed to our identifying and addressing planning issues at the regional level.

A major undertaking this year was the completion of a new Regional Plan. The Plan, which solicited local input through public forums in each member municipality, sets the stage for concerted local/regional efforts in the future to address the common concerns facing the region's residents. The Commission anticipates working closely with local officials to develop solutions to the planning issues identified in the Plan.

A by-product of the preparation of the Plan has been the creation of a standardized series of maps for each community in the region. The map system will provide the basic structure for a standard geographic system for environmental data; generate revenue through its availability to private sector clients; and reduce the costs to local governments for mapping associated with master plans and other planning studies.

Water quality continued to be a major concern of the Commission. The Nashua Area Aquifer Delineation Study is approaching its second year thanks to the near-unanimous support from local governments, the State Legislature, and the area business community. The study will produce badly needed information to be used in identifying and protecting the region's groundwater supplies.

The Commission has also been instrumental in organizing local officials to achieve compliance with the State's new Solid Waste Management Law which calls for cooperative approaches to local solid waste disposal. The Commission has held several forums to bring local officials together to discuss regional solid waste management potential, and will continue to provide technical and planning assistance as alternative solutions develop.

The Commission also continued its aggressive role in promoting and providing an ever-growing array of local technical assistance in the areas of municipal planning and administration. Planning assistance available includes local master planning and special project planning, ordinance writing, and reviews of development proposals for fiscal, traffic and environmental impact. Administrative assistance available includes municipal budgeting, accounting, and personnel management, cooperative purchasing, and capital improvements programming. In addition, the Commission has also continued to help keep local officials up-to-date on new laws and planning methods which will affect them. This year, the Commission sponsored a full-day seminar for local planning and zoning officials, and again was a co-sponsor of the Law Lecture Series for municipal officials. Our *Dispatch* memos and new issue-oriented *Soundings* newsletter will continue to keep local governments informed of current issues and developments.

Transportation planning continued to comprise a substantial portion of the Commission's activities. With the cooperation of the NH Department of Public Works and Highways, the Commission is providing traffic volume counts and technical assistance under its Highway Program to all twelve member communities. The assistance is now available upon request by local officials.

The Commission has played an active role in on-going studies of three major roadways in the region, serving as a local technical and informational resource for the proposed F.E. Everett Turnpike Improvement Program and the Nashua-Hudson Circumferential Highway. The Commission also received a contract from the State Department of Public Works and Highways to study the land use and traffic conditions along Route 101A from Exit 7 to Nashua to the Milford By-Pass. To coordinate its efforts in this area, the Commission established a Regional Transportation Task Force, consisting of local officials and legislators, business and industry representatives, and citizens, to solicit input from the local communities on their concerns with these projects, and to develop consensus wherever possible.

The Nashua Area Mass Transit Study, completed by the Commission in 1981, was presented to the City in 1982. The Commission also assisted the City and Greater Nashua Transportation Services to apply for and receive \$99,000 in operating assistance funds for elderly and handicapped transportation service.

We look forward to working with each of our twelve member communities in the coming year. In the meantime, our staff stands ready to assist you with any municipal planning and/or management concerns you have.

REFERENDUM

1 — Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Amend the ordinance to allow trailers and mobile homes in Residential Mobile Home Districts as well as in mobile home trailer parks. It would allow the Planning Board to approve locations and designations of Residential and Mobile Home Districts with a minimum of 15 acres in size within the Town in all zones except the Industrial Zone and the Light Commercial Zone, and the 100-year floodplain; and further subject to certain conditions contained in the Amendment.

Yes: 245

No: 111

Carried

2 — Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

To prohibit hazardous waste storage and/or disposal facilities, hazardous waste treatment and/or recycling facilities as defined by R.S.A. 147-A, from all zones except the Industrial Zone and to further prohibit such facilities on land in the Industrial Zone within the 500-year floodplain.

Yes: 297

No: 55

Carried

There are 1831 voters on the checklist. There were 13 absentee and 352 regular ballots cast for each of the following: School District officers; Town officers; Referendum; for a total of 365 ballots cast in each (1,095 ballots).

A true record of election and voting results attest:

Diane L. Jerry

Town and School District Clerk

BUSINESS PORTION OF TOWN MEETING

FRIDAY, MARCH 12, 1982

Place: Auditorium, Griffin Memorial School

Time: 7:13 p.m.

Present: Philip M. Reed, moderator, presiding; selectmen O'Brien (chairman), Jewett and Robinson; administrative assistant Cecile Durocher; town counsel Robert Bossie; approximately 250 voters and observers.

Preliminary Business: Police Chief John Simmons led the assembly in the Pledge of Allegiance. Philip Reed announced that he would be operating under Robert's Rules of Order, with a number of exceptions which he detailed. He announced the election results and swore in the following newly-elected officials:

Marijane Herbst, Diane Jerry, M. Jewett, Carolyn Leary, Roland Bergeron, Paul Hendrick, Thomas Levesque, Roger Olivier, Harry Walders, David Campbell; the town clerk had previously sworn Mr. Reed into office.

There were several announcements.

James O'Brien **MOVED** to dispense with the reading of last year's reports. Stephen Robinson seconded. Motion carried by voice vote.

James O'Brien **MOVED** to allow persons not on the checklist to speak at the meeting. There were numerous seconds from the floor. Motion carried by voice vote.

ARTICLE I

James O'Brien **MOVED** to authorize the Selectmen to borrow money in anticipation of taxes. Thomas Levesque seconded. Motion carried by voice vote.

ARTICLE II

M. Jewett MOVED to authorize the Selectmen to apply for, receive and expend federal or state grants, which may become available during the course of the year, and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the Town may legally appropriate money; provided: (1) that such grants and other monies do not require the expenditure of other Town funds, (2) that a public hearing shall be held by the Selectmen prior to the receipt and expenditure of such grants and monies, and (3) that such items shall be exempt from all provisions of R.S.A. 32.

Ellen Robinson seconded the motion. Motion carried by voice vote.

ARTICLE III

Stephen Robinson MOVED that the Town raise and appropriate the sum of \$2,400.00 for a contingency fund. This had been recommended by the Budget Committee.

Nancy Hendrick seconded the motion.

S. Robinson explained that the increase was due to the possibility of the fire department's having to use fire hydrants to fight a fire outside of the water district, in which case there would be an \$800.00 charge per hydrant use.

Motion carried by voice vote.

ARTICLE IV

Stephen Robinson MOVED that the Town authorize the withdrawal from the special highway subsidy fund the sum of \$10,000.00 for use as a set-off against the appropriations for road construction. This had been recommended by the Budget Committee.

David Campbell seconded. Motion carried by voice vote.

ARTICLE V

James O'Brien MOVED that the Town vote to appropriate the additional sum of \$10,000.00 to complete the purchase and installation of fire detection systems for the Municipal Buildings and authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund. This had been recommended by the Budget Committee.

Roland Bergeron seconded. Stephen Robinson MOVED to amend the figure to \$8,000.00. Thomas Levesque seconded. The amendment carried by voice vote. The main motion, as amended, carried by voice vote.

ARTICLE VI

M. Jewett MOVED that the Town vote to rescind its vote taken at an earlier meeting to elect a Constable in accordance with R.S.A. 41:47, to be effective upon the next succeeding annual meeting.

S. Robinson and J. O'Brien seconded. Motion carried by voice vote.

ARTICLE VII

Stephen Robinson MOVED that the Town adopt the provisions of New Hampshire R.S.A. 252 entitled Sidewalks and Sewers, and authorize the Board of Selectmen to perform all necessary duties as prescribed by said statute and related to the construction, repairs, operation, and laying out of sewers and sidewalks in the Town.

M. Jewett and Virginia Hokenstrom seconded.

Hani Durzy proposed an amendment to add the words "and the Road Agent" after the words "Board of Selectmen." The proposal was sufficiently seconded by a show of hands.

Following an explanation by Town Counsel Bossie that the proposal for power as requested under R.S.A. 252 was for easement powers of eminent domain, basically for drainage, Mr. Durzy and the seconders withdrew the motion to amend.

The main motion, as originally proposed, carried by voice vote.

ARTICLE VIII

J. O'Brien MOVED that the Town vote to appropriate the sum of \$12,500.00 for site work, graveling and paving of an additional 100x125 foot parking area to the Town Hall/Fire Station parking lot, and authorize the withdrawal of the amount required for this purpose from the Federal Revenue Sharing Fund. This had been recommended by the Budget Committee.

Gayle Troy seconded the motion. Motion carried by voice vote.

ARTICLE IX

S. Robinson MOVED that the Town vote, pursuant to R.S.A. 80:42-42a, to authorize the Board of Selectmen to retain for public use, or to sell, either by private sale, public auction or sealed bid and for such price and upon such terms as in their judgment may seem best, any real estate or interest therein, to which the Town has obtained or shall obtain title by tax collector's deed for the nonpayment of taxes, and further that during the period when title to said property shall be held by the Town, that the Selectmen be given authority to rent, use or administer the same as in their judgment may seem best. This vote shall remain in full force and effect until rescinded by further action of the Town.

Patricia Guerrette seconded.

Bertha Miekowski proposed to amend the article by deleting the words "private sale." There were adequate seconds by a show of hands from the floor.

S. Robinson explained that the words "private sale" had been intended solely as a means of returning tax-deeded property to its former owners, following their return to the Town of all taxes, interest, and costs due.

Following the explanation and further discussion, Daniel Petrini MOVED the question. Cloture motion carried by voice vote. The proposed amendment lost by voice vote. The main motion, as originally proposed, carried by voice vote.

ARTICLE X

J. O'Brien MOVED that the Town vote to raise and appropriate the sum of \$3,900.00 to conduct a preliminary ground water investigation for detection of landfill leachate contaminated ground water and surface water in Litchfield adjacent to the Hudson Municipal Landfill. This had been recommended by the Budget Committee.

Roland Bergeron seconded, Motion carried by voice vote.

ARTICLE XI

James O'Brien MOVED that the Town rescind Article 5 of Annual Town Meeting, March 13, 1981, whereby it was resolved to pay the following hourly pay scale for part-time employees effective April 1, 1981: \$3.40, unskilled labor; \$3.50, skilled and clerical labor; and \$3.75, administrative and high risk labor, and to adopt in lieu thereof the follow-

ing hourly pay scale for part-time employees effective April 1, 1982: \$3.60, unskilled labor; \$3.75, skilled and clerical labor; and \$4.00, administrative and high risk labor. This had been recommended by the Budget Committee.

Gayle Troy seconded. The motion carried by voice vote.

Police Chief John Simmons was recognized for a special announcement. Saying that the honor of presenting an award for long-time service should be given to the chief who was in office through the years of that service, Chief J. Simmons deferred to former Police Chief David Campbell.

Mr. Campbell presented former police officer Harry Hogen-camp with a plaque from the police department thanking him for the many years' service he gave to the department. The assembly offered a rising vote of thanks.

At 8:30 the moderator called a recess, and called the meeting back to order at 8:45.

ARTICLE XII

The moderator, noting that the article was printed in its entirety in the Town Report of which there were sufficient copies for all present, dispensed with the reading of the article.

James O'Brien **MOVED** to pass the article as printed. M. Jewett seconded.

J. O'Brien **MOVED** to make an editorial change by deleting all references to "paragraph 1" and replacing them with the words "Section 1."

There were numerous seconds from the floor.

The proposed article, as amended, now reads:

Motion to rescind effective July 1, 1982 Article 6 of the Town Warrant which was adopted on March 18, 1978, pertaining to a conflict of interest ordinance, and further to see if the Town will vote to adopt an ordinance pertaining to conflict of interest, in accordance with the provisions of R.S.A. 31:39a, as follows:

ORDINANCE

For the purpose of promoting the health, safety and general welfare of the Town of Litchfield, and pursuant to the authority of R.S.A. 31:39a, the Town of Litchfield hereby adopts the following ordinance regulating conflicts of interest.

Section 1. No employee or member of any official Town board, commission, or committee shall introduce, discuss as a member, or vote upon any motion, resolution, or ordinance concerning which he, she, or a member of his or her immediate family has a direct or indirect personal interest. Direct or indirect personal interest includes, but is not limited to, financial or material gain.

Section 2. Any employee or member of any official Town board, commission, or committee who shall have a conflict of interest as defined in Section 1, shall make full disclosure to the board, commission, or committee of the nature and extent of such interest. Failure to make such disclosure shall be a violation of this ordinance. Any citizen of Litchfield may also raise the issue of any possible conflict of interest of any member. That as soon as practical after the presentment of an inquiry as to a possible conflict of interest, a determination shall be made by a majority vote of the members of the respective board, commission or committee as to whether to allow the employee or member to vote upon or engage in the acts specified in Section 1.

If a conflict of interest has occurred, any board, commission or committee shall notify the Board of Selectmen in writing, and the Board of Selectmen may take action in accordance with Section 7 hereof.

Section 3. If a member ineligible to vote under Section 1 above votes in a manner prohibited by Section 1, the vote will not be rendered invalid, unless the matter passed on the strength of the ineligible member's vote, and then it shall be rendered invalid only if third persons have not relied upon said vote to their detriment.

Section 4. No Town official or Town employee shall use any Town property, vehicle, equipment, material, labor or services for personal purposes. This rule shall not be deemed to prohibit an official or

employee from requesting, using or permitting the use of such property, vehicle, equipment, material, labor or services which it is the general practice to make available to the public at large or which is provided as a matter of stated policy for the use of officials and employees in the conduct of official business.

Section 5. No Town official or Town employee shall enter into a contract for real estate, services, labor and/or materials or products with the Town unless he or she shall have prevailed on the basis of written quotes or open competitive bidding.

Section 6. No Town official or Town employee shall claim to act on behalf of any board, commission, committee, or department without prior authorization from said board, commission, committee, or department.

Section 7. If it shall be determined by the Board of Selectmen that any Town officer or employee shall have violated the provisions of this ordinance and should be removed from office or employment, then the Board of Selectmen shall be authorized to commence removal proceedings by petition to the Hillsborough County Superior Court.

Section 8. If any portion or section of this ordinance shall be determined by any Court of competent jurisdiction to be invalid or unconstitutional, such invalidity or unconstitutionality shall not affect the validity or constitutionality of the remaining sections or parts thereof.

Section 9. The effective date of this ordinance with respect to affected officers and employees who are in office or employed at the time this ordinance shall be adopted shall be July 1, 1982.

The amendment carried by voice vote; the main motion, as amended, carried by voice vote.

ARTICLE XIII

Stephen Robinson MOVED that the Town raise and appropriate the sum of \$8,030.00 to purchase and equip one new police model cruiser. This had been recommended by the Budget Committee.

M. Jewett seconded the motion.

S. Robinson explained that it was the selectmen's intention to purchase a new cruiser only if necessary.

Motion carried by voice vote.

ARTICLE XIV

Stephen Robinson MOVED to authorize the withdrawal from the Master Zoning Fund the sum of \$2,525.39 together with the interest accumulated thereon for use as a set-off against master zoning plan expenses from appropriations for Planning. This had been recommended by the Budget Committee.

Virginia Hokenstrom seconded the motion. Motion carried by voice vote.

ARTICLE XV

Stephen Robinson MOVED that the Town adopt the following Ordinance:

In addition to the powers previously granted to the Planning Board in accordance with the provisions of R.S.A. 36:19-24, the Planning Board shall have the following powers as authorized by R.S.A. 36:19-a:

To review and approve or disapprove site plans for the development of tracts for non-residential uses whether or not such development includes a subdivision or re-subdivision of the site.

William Morris seconded. The motion carried by voice vote.

ARTICLE XVI

M. Patricia Jewett MOVED that the town accept funds bequeathed to the Town under the terms of the Will of Charles Zylonis, with interest accrued, for the benefit of the Aaron Cutler Memorial Library/Litchfield Public Library.

To further authorize the Library Trustees, with the concurrence of the Board of Selectmen, to take such legal actions as they may deem reasonable with respect to the Charles Zylonis Trust Fund to assure that the principal and income therefrom will be used in the best interest of the Aaron Cutler Memorial Library/Litchfield Public Library.

Claudette Durocher seconded.

Motion carried by voice vote.

ARTICLE XVII

James O'Brien MOVED to authorize the Health Officer to adopt regulations pursuant to R.S.A. 147:1 and R.S.A. 31:39 (j) concerning sanitary conditions of restaurants and other food service establishments within the Town, subject to approval by the Board of Selectmen in accordance with R.S.A. 147:1.

Roland Bergeron seconded. Motion carried by voice vote.

ARTICLE XVIII

James O'Brien MOVED that the Town authorize the Health Officer to issue licenses and establish regulations for such licensing for the operation of restaurants and other food service establishments within the Town and to authorize the Board of Selectmen to establish a reasonable fee for such licenses, all in accordance with R.S.A. 31:39 (k).

William Morris seconded. Motion carried by voice vote.

ARTICLE XIX

James O'Brien MOVED that the Town vote, pursuant to R.S.A. 41:32-a, to elect a board of three auditors for terms of three years, respectively. The terms of office shall be staggered so that after March, 1983, one auditor shall be chosen each year for a term of office of three years. Provided, however, that in March, 1983, the members of the board shall be chosen for varying terms so that the term of one member shall expire in the next succeeding year, the term of the second member shall expire in the second succeeding year, and the term of the third member shall expire in the third succeeding year.

Paul Hendrick seconded. Motion carried by voice vote.

In a Special Announcement for which the moderator recognized Budget Committee chairman Brent Lemire, plaques of appreciation from the Budget Committee were presented to outgoing members Michael Sutin and Carol Powers. The assembly joined in a rising vote of thanks.

ARTICLE XX

Brent Lemire MOVED that the Town vote to raise \$521,595.00, which was the Budget Committee's recommended figure, to defray Town charges for the ensuing year and make appropriations of the same, as set forth, posted herewith, and to consider each item in whole or in part.

The motion was seconded by David Campbell and others.

Stephen Robinson MOVED to amend the appropriated total for “General Government Buildings” to \$16,359.00 in order to add \$2,500.00 for carpeting in the Town Hall. This had been recommended by the selectmen but not by the budget committee.

James O’Brien seconded the motion.

The Budget Committee objected to the proposed funds because, members said, money for items they considered important in other budgets had been cut in order to keep the tax rate down.

The selectmen objected to the cutting of the funds because, in their opinion, the present carpeting was a hazard both because it no longer lies flat on the floor and because the sub-carpeting is not fire retardant.

After considerable debate, a citizen (name not given) MOVED the question.

Cloture motion carried by voice vote.

The proposed amendment lost by voice vote.

The main motion, containing the original figure proposed by Mr. Lemire, carried by voice vote, with no further amendments having been proposed.

The approved Budget contains the following allocations, by department: (Includes warrant articles)

1 – Town Officers’ Salaries	\$39,969
2 – Town Officers’ Expenses	30,186
3 – Election & Registration Expenses	2,285
4 – Cemeteries	435
5 – General Government Buildings	13,859
7 – Planning & Zoning	9,665
8 – Legal Expenses	16,000
10 – Contingency Fund	2,400
11 – Town Clerk/Tax Collector’s Expenses	4,695
12 – Treasurer’s Expenses	575
13 – Budget Committee Expenses	525
15 – Police Department	87,473
16 – Fire Dept. (including Forest Fire Dept.)	26,195
17 – Civil Defense	75

18 – Building Inspection	3,640
19 – Damage by Dogs	100
20 – Blister Rust & Care of Trees	1
23 – Town Maintenance	83,625
25 – Town Road Aid	598
27 – Road Construction	*35,000

ARTICLE XXI

M. Jewett MOVED to wave the reading of the minutes.

J. O'Brien and Ellen Robinson Seconded. Motion carried by voice vote.

In a final Special Announcement, Stephen Robinson presented a clock/pen set/plaque to Eduardo Albuquerque, who is retiring from the Planning Board after a membership of fifteen years.

The assembly rose in a vote of thanks.

David Campbell MOVED to adjourn. There were numerous seconds from the floor.

Motion carried by voice vote.

The moderator declared the meeting adjourned at 9:52 p.m.

**SPECIAL TOWN MEETING
AND PRIMARY ELECTIONS
LITCHFIELD, N.H.
TUESDAY, SEPTEMBER 14, 1982**

Place: Auditorium, Griffin Memorial School
Time: 10:00 a.m.

Meeting Called to Order by Philip M. Reed, Moderator.
Warrant read and polls opened to voters.

Polls remained open until 7:00 p.m., when they were closed by the moderator.

Ballot clerks from 9:00 a.m. through 10:00 p.m. were Sophia Adams, Helen Cook, Louise Bergeron, and Barbara Campbell.

Ballot clerks from 7:00 p.m. through 10:00 p.m. were Victoria Thomas, Margaret Kampe, and Carolyn Leary.

Voting results follow:

Names on checklist

at close of polls:	1874	
Democrats:	614	
Republicans:	610	
Independents:	650	
Ballots cast:	350	regular ballots and 4 absentee ballots
Democratic Ballots:	125	regular ballots and 2 absentee ballots
Republican Ballots:	225	regular ballots and 2 absentee ballots
Planning Board Ballots:	350	regular ballots and 4 absentee ballots

Planning Board Questions:

Question 1:

Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Lot Size provision of the Town Zoning Ordinance as follows:

Amend the Ordinance by deleting the existing Article 1; Lot Size, and by substituting therein provisions for minimum lot sizes of one acre (43,560

square feet), with at least 50-foot setbacks, and front lot lines on town approved or bonded roads of at least 150 feet for single family residences; and lot sizes of one and one-half acres (65,340 square feet), with at least 50-foot setbacks, and front lot lines on town approved or bonded roads of at least 200 feet for duplex houses (two-dwelling units); and prohibiting the erection of multi-family dwellings of three or more units.

Yes: 260

No.: 75

Carried

Question 2:

Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Delete the present wetland district and to adopt a revised wetland conservation district ordinance controlling and guiding the use of land areas which have been found to be subjected to high water tables for extended periods of time; and to use a vegetational community, soil and land type classification in defining wetlands within the Town.

Yes: 235

No: 94

Carried

Question 3:

Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

Delete the existing fence ordinance and substituting a fence ordinance allowing the erection of fences six feet or less in height with the finished side of said fence facing the opposite property owner.

Yes: 238

No: 90

Carried

A true record of election numbers and results of zoning proposals, attest:

Diane L. Jerry

**LITCHFIELD
SCHOOL DISTRICT WARRANT
March 5, 1983**

To the inhabitants of the School District in the Town of Litchfield, New Hampshire, qualified to vote in District affairs.

YOU ARE HEREBY NOTIFIED TO MEET AT THE GRIFFIN MEMORIAL SCHOOL IN SAID DISTRICT ON THE 5TH DAY OF MARCH, 1983 AT 7:00 P.M. TO ACT UPON THE FOLLOWING SUBJECTS:

ARTICLE I

To see if the District will vote to authorize the design, construction, and equipping of an addition to the Griffin Memorial School, and to raise and appropriate a sum not to exceed \$130,000 for the aforesaid purposes. Said sum is to be in addition to any bond investment interest and other local, state or federal funds made available therefor and to raise the same by the issuance of bonds or serial notes in accordance with the provisions of the Municipal Financial Act, Chapter 33 of the Revised Statutes Annotated of New Hampshire, as amended; and to authorize the Litchfield School Board to so issue and negotiate said bonds or notes in the name of or in the credit of the District, said Board to have the discretionary powers described in Section 8 of said Chapter 33 in respect to said notes and bonds. (Recommended by the Budget Committee.)

ARTICLE II

To see if the district will raise and appropriate the sum of \$5,200 for the purpose of paying interest on the bond issue referred to in Article I if it is passed. (Recommended by the Budget Committee.)

ARTICLE III

To see if the District will vote to raise and appropriate the sum of \$506,455 to fund all cost items relating to teacher's salaries and benefits for the 1983-84 school year, \$47,528 of such sum representing additional costs attributable to the latest collective bargaining agreement entered into by the School Board and the Litchfield Education Association. (Recommended by the Budget Committee.)

ARTICLE IV

To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries and benefits for school district officials and agents other than benefits and salaries payable to teachers, and for the payment of the statutory obligations of the District.

ARTICLE V

To see if the District will vote to authorize the School Board to apply for, accept and expend, without further action by the School District Meeting, money from the state, Federal or other governmental unit or a private source which becomes available during the 1983-84 school fiscal year provided that such expenditure be made for purposes for which a School District may appropriate money and that such expenditure not require the expenditure of other School District funds. Further, that the School Board hold a public hearing prior to accepting and spending such money.

ARTICLE VI

By Petition: To see if the School District will vote to hold the Annual School District Meeting as prescribed by New Hampshire R.S.A. 197:1 subsequent to the Annual Town Meeting on even numbered years commencing in 1984, and to hold the Annual School District Meeting prior to the Annual Town Meeting on odd numbered years commencing in 1985. (Note: R.S.A. 197:1 requires that the Annual School District Meeting shall be held between March 1 and March 25. R.S.A. 39:1 provides that there shall be an Annual Town Meeting on the second Tuesday of March of each year.)

ARTICLE VII

To hear the reports of Agents, Committee or Officers chosen, and pass any vote relating thereto.

ARTICLE VIII

To transact any other business that may legally come before this meeting.

GIVEN UNDER OUR HANDS AT SAID LITCHFIELD
ON THIS 15TH DAY OF FEBRUARY, 1983.

ACCOUNTANTS AND AUDITORS**

171 North Main Street
Concord, New Hampshire 03301

To the Members of the School Board
Litchfield School District
Litchfield, New Hampshire

We have examined the combined financial statements and the combining, individual fund and account group financial statements of the Litchfield School District as of and for the fiscal year ended June 30, 1982, as listed in the foregoing table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the combined financial statements referred to above do not include financial statements of the General Fixed Asset group of accounts, which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset group of accounts results in an incomplete presentation as explained in the above paragraph, the combined financial statements and the combining, individual fund and account group financial statements referred to above present fairly the financial position of the Litchfield School District at June 30, 1982, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole and on the combining, individual fund and account group financial statements. The accompanying financial information listed as supplemental schedules in the table of contents is presented for purposes of additional analysis and is not a required part of the combined financial statements of the Litchfield School District. The information has been subjected to the auditing procedures applied in the examination of the combined, combining, individual fund and account group financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

August 9, 1982

REPORT OF THE SUPERINTENDENT

To the School Board and Citizens of Litchfield:

The following paragraphs constitute my annual report as Superintendent of Schools.

In making this report I will attempt to review the highlights of the past year, particularly our annual goals and objectives, as well as to look ahead toward the major issues of the current year.

In reporting to you on the well being of education in our community I must regretfully begin, once again, by reporting on the financial support of our over-all educational program. Since 1977, the Center for Educational Field Services (CEFS) at the University of New Hampshire, has been conducting an exhaustive research project on school finances in New Hampshire with particular attention to the obvious relationship that exists between financial resources and the level of educational opportunities. Those school districts in New Hampshire with better than average resources are better able to meet the state minimum standards for elementary and secondary students. They have more comprehensive facilities and better equipped library resources. Among other program advantages, they have broader foreign languages in high school, with home economics and industrial arts being offered to all junior high students.

According to the most recent figures released by that agency for the 1980-81 school year Litchfield ranks 56th, from low to high, out of 155 elementary districts in its expenditures per pupil. It expended \$1,472 per pupil compared to a state average expenditure of \$1,724 per pupil. However, it must be pointed out that when property tax assessment is compared to equalized evaluation Litchfield ranks 247th out of 258 districts as far as its "effort" to support education is concerned. Two years earlier Litchfield ranked first in its equalized school property tax. Unfortunately, this effort raises very few dollars per student due to a dirth of taxable property.

The state funding program that is intended to equalize the burden on property poor districts, such as our own, is the Foundation Aid Law. This program is currently funded at approximately 10% of its intended level and consequently Litchfield only receives a maximum of approximately

\$3 per pupil, when it receives anything at all, instead of approximately \$392 per pupil if the program were fully funded.

Overall we receive approximately 5% of our funding from the state level, while nationally school districts receive approximately 44.7% of their funding from the state, up from 42.7%. This increase in state support nationally resulted in a corresponding decrease in property tax revenues going to schools, from 29.6% to 27.6%. In New Hampshire, which already has the highest percent of its educational funding coming from the property tax, the reverse is true, with state support declining and consequently local support increasing. This is particularly difficult on property poor districts, such as our own. During the current year we have lost 100% of our School Administrative Unit (SAU) support, 12% of Building Aid and 100% of Foster Children Aid. The most ominous sign from the state level has been the elimination of Sweepstakes revenue for 1983-84 fiscal year. This is a program that was originally sold on the premise that the money would help to support education, but now it is needed to help "bail out" the state's serious financial problems.

In his campaign, however, Governor Sununu placed increased foundation aid to school districts as a top priority in his administration. In his address to the annual luncheon meeting of the Joint Educational Council on October 22, 1982 Governor Sununu stated.

"The first priority, and I've said this over this eight months, is a restructuring and an increasing of foundation aid to our communities that need it. It is time we understood that the state obligation to fill in the valleys is still there. I am still committed to the structure that requires the bulk of money to come from local aid; I am still committed to a recognition that the property tax structure is what is going to provide the primary funding for our educational system, but I am as much and even more committed to the fact that there is a state obligation in the form of foundation aid to make up in those communities where they have not the breadth of tax base that is necessary to deal with the issue."

A major goal of the Litchfield School District over the past two years has been the introduction and development of a program of computers in education. To that end a committee was established in September of 1980 and charged with:

- developing a position paper and five year plan for the implementation of computers in education
- assisting in the implementation of Computer Assisted Instruction in at least two subject areas . . .
- developing an in-service program for training staff in the use of computers in the classroom

In their five year plan, presented to the Litchfield School Board in November of 1982, the Committee stated, "In the meantime the growth of this technology, the use of existing equipment, and the interest of teachers and students has caused this project to take on a life and destiny of its own. Much that has happened and will happen, was not, and will not be foreseen or planned by the Computer Committee, although it will be documented here and in the future reports. This is part of the excitement of the project for us and for the use of computers as a whole."

At the present time, we have four Apple II + systems in use in Grades 4-8 purchased through Federal Funds. These are being used in conjunction with the Computer onics program which is a self paced mastery approach to learning the basic language. We have also received some LOGO software material purchased by the P.T.A.

At Alvirne High School, we have two TRS 80 Model I's and 18 TRS 80 Model III's, purchased through the Alvirne Trustees. We also have two CPT word processors, purchased through the Alvirne Trustees and Title IV of ESEA. Our work at the elementary and middle school level is primarily introductory in nature with some elementary programming at the middle school level. We are offering Basic I and Basic II at Alvirne with word processing being taught in the Business Department. We also hope to offer introductory courses in COBOL, PASCAL, and FORTRAN through independent study.

During the current year we will attempt to refine the curriculum while giving students the maximum exposure possible to this new technology which is having such a significant impact on their future lives.

Another major goal during the past year was the completion of the first phase of the state accountability project. The first testing occurred during the past spring with results being completed and tabulated during the summer. The Accountability Planning Group is currently in the process of drafting the first management plan, which is intended to imple-

ment those changes deemed necessary through the testing program, to improve students performance. Meanwhile, the second testing under the new accountability program will occur during the late spring.

A complete revision of the Science Curriculum, grades 1-8, was another major goal of the School District during the past year. On October 5, 1982, the Science Curriculum Committee presented the revised curriculum to the School Board. Their work represented a complete redrafting of the elementary science curriculum with desired student outcomes and performance indicators identified at every grade level through grade eight. Their guide also included a supplementary materials list and a source guide for teachers.

At the 1983 Annual School District Meeting in March the voters of the Litchfield School District will be asked to approve a three room addition to the Griffin Memorial School. This will provide badly needed additional space in order that we can move the music class off the stage, free the library and provide one additional classroom space. The Litchfield School Board, both past and present, has been exceedingly careful to insure that as we provide badly needed additional space that we not overbuild and leave ourselves with obsolete space in the future. On the other hand, overcrowding has reached a point that our facility utilization is neither educationally sound nor consistent with planned space utilization.

Our country and our community has a deep and abiding interest in high quality education. A sound system of public education is fundamental to a free and democratic society. Thomas Jefferson said, "Any nation that expects to be both ignorant and free . . . expects what never was and never will be."

In closing, I would like to thank the School Board, Mr. Burton, Mrs. Roody, Mr. O'Shea, Mr. Donegan and the entire school staff for their unfailing cooperation and finally, the citizens of Litchfield for their commitment to excellence in the total educational program.

Respectfully,

Peter G. Dolloff
Superintendent of Schools

REPORT OF THE PRINCIPAL OF GRIFFIN MEMORIAL SCHOOL

Mr. Peter Dolloff
Superintendent of Schools
Memorial Drive
Hudson, New Hampshire

Dear Mr. Dolloff,

Griffin Memorial School has continued to have a moderate growth in student population. School opened in September with 625 students, up 11 students over the previous school year.

We experienced a relatively low staff turnover this past year. There were four staff position changes and an additional position at the junior high area. Miss Deborah Squillace replaced Mrs. Donna Clapp who left for maternity reasons. Debi is teaching fifth grade, is a graduate of Salem State College and has seven years prior experience in the western Massachusetts area. Miss Laura Visco is our sixth grade replacement for Mrs. Ellen DeVries who left the area because of her recent marriage. She is a graduate of Stonehill College and has a Masters Degree from Lesley College and has two years experience in the Lowell School System. Mrs. Suzanne Ingram replaced Mrs. Cathy Puzzuoli as the junior high math teacher. She is a graduate of Lowell University and has two years experience in the Dorchester, Massachusetts School System. Miss Thana Vance has replaced Mrs. Susan Wright as our Resource Room Teacher. Miss Vance has three prior years experience in the Boston Public School System and possesses a Bachelor's Degree from Lesley and a Master's Degree from Harvard University. Miss Cheryl Harvie is the new staff member in the junior high. She is a graduate of Fitchburg State and is teaching mathematics and reading and comes to us with three years experience in the Farmington, New Hampshire School System.

Educationally, the faculty is continuing our In-Service Rescheduled Time Program. In our curriculum thrust for the 1982-1983 school year we are working on creating a stronger correlation between the mathematics curriculum and classroom instruction materials. The development of standardized tests for each of the general objectives will also be accomplished.

In the area of Computer Education, we are continuing to make considerable progress in outlining a curriculum. Under a Title IV-B Bloc Grant we have purchased two additional Apple II 48K micro computers, disk drives, color monitors, a line printer and software. Assistant Prin-

cipal Ernie Tarullo and junior high teacher, Karen Johnson served on the SAU #27 Computer Committee that gave its proposal for a five-year plan to both the Litchfield and Hudson Boards this fall. Some 140 students have received computer instruction in basic programming and many more classrooms, grades two through eight, are utilizing the micro-computers for instruction and reinforcement of learning skills.

The Parent-Teacher Organization led by Co-Presidents Mrs. Sandy Simmons and Mrs. Marcia Murphy continues to be instrumental in organizing parent volunteers, fund raising projects, informational meetings etc. throughout the school year.

A new organization, the Raiders Booster Club, was conceived last year and has helped to raise money for sports teams uniforms and equipment and sponsored the first annual Raider Sports Banquet Last June. It was a huge success, and this group continues to lend tremendous support to our athletic and extracurricular activities.

Last June saw our eighth grade class attend a week long environmental camp experience at Grotonwood Environmental Camp in Groton, MA. The eighth grade class earned much of the tuition costs through magazine sales and the P.T.O. lent financial support to the endeavor. It was a worthwhile experience for students and staff alike. We plan to make this an annual part of our junior high program.

We continue to experience growing pains at Griffin Memorial School. The music classroom is temporarily located on the gym stage obliterating its use as a stage for school and town functions. The primary end of the media center continues to be used as a classroom and we have a "floating" junior high teacher without a home base classroom. Your support is needed to back the proposal for a bond issue to build three classroom spaces this next year.

I would like to extend my thanks both personally and professionally to the Litchfield Police and Fire Departments, Recreation Commission and the Litchfield Conservation Commission, and Litchfield Jaycees for their many services and assistance with school programs, aiding and insuring the health and welfare of our youngsters.

I would like to express my sincere gratitude to faculty and staff who help make my job a rewarding one. A special thanks to the townspeople, Budget Committee, School Board, and Central Office for their support of our programs.

Respectfully submitted,

J. Richard Donegan
Principal

REPORT OF THE SCHOOL BOARD

The 1982-83 school year has been a most interesting and challenging one for the School Board.

As in the past, one of the foremost tasks facing the Board has been the development of a budget for the 1983-84 school year which will allow the School District to function in an educationally sound manner and at the same time not overburden the taxpayers of the Town. This process becomes more difficult every year as our school population grows and our tax base remains basically unchanged. It is my opinion that the budget that has been developed this year will provide the funds to maintain our present level of education and still is fiscally sound for the Town.

Another major undertaking of the Board this past year has been planning for the future needs of the District. A first step has been the development of plans for a three room addition to the present Griffin building. The approval of this planned addition is Article 1 of the School District Warrant. This addition will allow us to return parts of the building (the stage and part of the library) to the intended uses and alleviate the present overcrowded condition in the building. As part of our planning for the future, the Board commissioned the New England School Development Council to make a study of Litchfield's future space needs. The results of this study were presented in February.

The key point of the study was that Litchfield's school population would continue to grow over the course of the next ten years and that a plan of action must be developed now to meet the needs of the expanding population.

I would like to take this opportunity to thank a number of groups and individuals who have made this past year a very good one for the School District. The first of these is the P.T.O. This group has been very supportive of the school both in the time and effort they have put into projects throughout the year and in the financial support they have provided to various groups.

The second group I would like to thank is the teaching staff. We are truly fortunate to have such a fine group of dedicated educators in our community. I would also like to thank the administration, both building administrators and the central administration, for their fine effort in providing for the needs of the District.

Finally, I would like to thank my fellow Board members for all of the hours of work they have put in over the past year.

In closing, I extend to all of you an invitation to come to your School Board meetings. Give us your input on what you think are the needs of your school. Board meetings are the first and third Tuesday of the month.

Respectfully submitted.

Thomas Carroll

LITCHFIELD SCHOOL DISTRICT

ANNUAL MEETING

MARCH 5, 1982

Place: Auditorium, Griffin Memorial School

Time: 7:06 p.m.

Present: Philip M. Reed, moderator, presiding; school board members E. Robinson (chairman), M. Bennett, R. Bennett, T. Carroll, and K. Grochmal; assistant superintendent of schools Larry Burton; Griffin Memorial principal J. Richard Donegan; approximately one hundred forty-five (145) residents and observers.

The moderator's first order of business was to swear in David Campbell as assistant moderator and Sophia Adams as ballot clerk.

David Campbell led the assembly in the Pledge of Allegiance.

Moderator Reed explained the Moderator's Rules — basically Robert's Rules, with modifications which he detailed. He asked the body for a motion concerning its intentions in allowing non-voters to speak.

Thomas Levesque MOVED to allow School District employees, counsel, and residents who are not registered voters to speak. Ellen Robinson seconded. Motion carried by voice vote.

The moderator opened the meeting to business under Article IV, which was non-controversial, in order to allow late-comers to arrive before the votes on other issues.

IV—Robert Bennett MOVED that the District authorize the School Board to apply for, accept and expend, without further action by the School District Meeting, money from the State, Federal, or other governmental unit or a private source which becomes available during the 1982-1983 school fiscal year, provided that such expenditure be made for purposes for which a School District may appropriate District funds. Further, that the School Board hold a public hearing prior to accepting and spending such money. Thomas Carroll seconded. The motion carried by voice vote.

Article I—Brent Lemire MOVED that the District raise and appropriate the sum of \$441,619.00 to fund all cost items relating to teachers' salaries and benefits for the 1982-1983 school year, \$46,322.00 of such

sum representing additional costs attributable to the latest collective bargaining agreement entered into by the School Board. Thomas Carroll and Ellen Robinson seconded the motion.

Ellen Robinson explained the proposal. She and Robert Bennett had represented the school board on the “negotiating team” dealing with the Litchfield Education Association. The newly-negotiated contract, she said, includes a proposed salary increase of 11.2% the first year and 10.2% the second year. The increases, she said, are all in salary. There are no increased benefits.

A written request was presented to the moderator for a ballot vote on the question. The request was signed by Kenwood Thebodeau, Roland Bergeron, David Campbell, Bertha Miekowski, Louise Bergeron, Sophia Adams, Barbara Campbell, Marilyn P. Jewett, Claudette Durocher, and Robert G. Jerry. The request was granted. A double-checklist system was established in the front of the hall. Ballot clerks were Louise Bergeron, Sophia Adams, David Campbell, and Barbara Campbell.

No. of voters on the checklist: 1831

Number taking ballots: 132

N. of ballots cast: 131

Yes: 98

No: 33

Motion carried by ballot vote.

Article II—Brent Lemire MOVED to raise and appropriate a sum not to exceed \$11,000 for the purpose of engaging an architect to develop plans and specifications for an addition to the Griffin Memorial School and to make such plans and specifications available to the 1983 Annual School District Meeting. Robert Bennett seconded. Roland Bergeron offered an amendment, changing the proposal to read as follows:

“... vote to raise and appropriate the sum not to exceed \$11,000 for the purpose of engaging an architect to develop plans, specifications, and provide on site supervision of construction for an addition to the Griffin Memorial School and make such plans and specifications available to the 1983 Annual School District Meeting.”

The motion to amend was sufficiently seconded by a show of hands. The amendment carried by voice vote. The main motion, as amended, carried by voice vote.

Article III—Brent Lemire MOVED that the District raise and appropriate a sum not to exceed \$1,548,806 for the support of schools, for the payment of salaries and benefits for school district officials and agents other than benefits and salaries payable to teachers, and for the payment of the statutory obligations of the District. The motion was adequately seconded by a show of hands.

Budget Committee chairman Lemire explained that the proposed figure of \$1,548,806 had been arrived at by taking the posted budget proposal of \$2,047,215; subtracting \$45,790 from the tuition (out-of-District) account due to a lower negotiated cost; subtracting already-approved teachers' salaries of \$441,619; and subtracting the \$11,000 architectural fees approved under Article II.

The Budget was reviewed series by series, but there were no proposed amendments. In the course of the review, the moderator called a recess from 9:00 until 9:15 p.m., at which point business resumed under the Budget article.

After a few minutes' discussion, David Campbell MOVED the question. Cloture motion carried by voice vote. Main motion carried by voice vote.

Series totals, minus the above-mentioned sums, were approved under the Budget as follows:

Series	Descriptions	Totals
1100	Regular Programs	\$ 645,120
1200	Special Programs	85,037
1400	Other Instructional Services	6,933
2100	Attendance	1
2120	Guidance	17,513
2130	Health Services	8,823
2140	Psychological Services	7,050
2150	Speech	9,062
2190	Other Pupil Services	2,743
2210	Improvement of Instruction	2,605
2220	Educational Media	6,267

		<hr/>
		\$1,548,806

Article VI—Ellen Robinson thanked the assembly for attending. She presented outgoing school board member Kathryn Grochmal with a floral bouquet from the other members of the school board, and with a certificate of recognition from the New Hampshire School Boards’ Association. The assembly also rose in a standing vote of thanks for Mrs. Grochmal’s service.

At 9:30 p.m., James O’Brien MOVED to adjourn. There were numerous seconds from the floor. Motion carried by voice vote, and the moderator declared the meeting adjourned.
